MATERIALS

- **Main fabric:** use mid- or lightweight wovens (e.g. cotton, linen, lawn, voile, gauze, ...). The flutter sleeves have the best drape in lightweight fabrics. This pattern is not designed for knits.
- **Lining fabric:** lightweight wovens are preferred
- **Very thin fusible interfacing:** a narrow strip if you are using buttons in the back, or combining the hidden zipper with thin or fragile fabric (see step 1).
- **Back closure:** Choose one of the following:
 - . Invisible zipper (length: see yardage table below).
 - . Small buttons, ideally 1 cm (3/8"), maximum 1.5 cm (5/8") in diameter.
6 pcs. for the *blouse*; 7 pcs. (3-6m), 8 pcs. (1-7j), or 9 pcs. (8-12j) for the *dress*.
